CHINS

09/11/2009

In **In Re J.J.**, 912 N.E.2d 909 (Ind. Ct. App. 2009), the Court reversed and remanded for further proceedings because the trial court had erroneously ordered that DCS pay the GAL fees associated with the underlying CHINS proceedings. In doing so the Court cited the reasoning and findings in **In Re N.S.**, 908 N.E.2d 1176 (Ind. Ct. App. 2009).
